Important information about the program and this agreement

The Petal Perks Program Rules (“Rules”) apply to the Petal 2 VISA® credit card (“Petal 2 Card” or “Card Account”) issued by WebBank. This document describes how the Petal Perks Program (“Petal Perks” or the “Program”) works and is an agreement between you, the person to whom the Petal 2 Card was issued (“Accountholder” or “you”) and WebBank. You agree that your use of the Petal 2 Card or any feature of this Program constitutes your acceptance of these Rules.

Program Overview As a Petal 2 Card Accountholder, you are automatically enrolled in the Petal Perks Program and will earn cash back points (“Cash Back Points”), which you can then redeem for a statement credit. Cash Back Points can be earned by meeting the requirements of “Petal Rewards” and “Petal Offers” as described below.

Participation. The Program and its benefits are offered at our sole discretion and to fully participate you must be an Accountholder in Good Standing. Your Card Account is in “**Good Standing**” as long as you fully comply with these Program Rules, your Petal 2 Visa Credit Card Cardholder Agreement as may be amended from time to time (“Cardholder Agreement”), disclosures agreed to as part of opening your Petal 2 Card (including, as applicable, the Privacy Policies, Truth in Lending Disclosure, and Risk-Based Pricing Disclosure) and Arbitration Agreement (collectively, the “Program Agreements”). At any time your Card Account is not in Good Standing, we may in our sole discretion permit you to make transactions, temporarily suspend your ability to make transactions, or close your account. If your account is not in Good Standing and we permit you to make a transaction(s), you will continue to earn Cash Back Points; however, you will not be able to redeem any Available Cash Back Points until your Card Account returns to Good Standing. If your account is not in Good Standing and we temporarily suspend your ability to make a transaction(s), you will not earn Cash Back Points and you will not be able to redeem any Available Cash Back Points until your Card Account returns to Good Standing. If your Card Account is closed by us because it is not in Good Standing or for any other reason you will forfeit any unredeemed Available Cash Back Points. If your Card Account is closed by you for any reason, you will forfeit any unredeemed Available Cash Back Points.

Our failure or delay in enforcing any of your obligations, or exercising a right or remedy, does not amount to a waiver of that obligation, right or remedy. Additionally, if we waive a particular obligation in one circumstance, it does not prevent us from subsequently requiring compliance with the obligation on other occasions.

We reserve the right to remove any participant from the Program in the event of suspected fraud or abuse in connection with the Program Agreements.

When and how you earn Cash Back Points.

1. Petal Rewards

Through Petal Rewards, you will earn Cash Back Points on Eligible Purchases, which are defined as purchases, less credits for disputed charges, returns, transaction rebates, and other negative

balance adjustments, made by you for your personal, family or household use, using your Petal 2 Card during the life of the Program.

The percentage of Cash Back Points earned is determined by the number of on-time payments made during the life of your Card Account and the dollar amount of Eligible Purchases made using your Petal 2 Card. Regardless of redemption method or the percentage earned, you may simply see “cash back,” “Available cash back balance,” “Petal Perks,” “rewards,” “Cash Back Wallet” or something similar in marketing and product materials when referring to the Cash Back Points you earned, may be eligible to earn, or which you may redeem. Details of the Program are described below. Petal Perks is provided by WebBank and is serviced by Tilt Card, Inc. (collectively, “we,” “us,” or “our”).

Your Account will be given a Cash Back Points status of 1%, 1.25%, or 1.5% on Eligible Purchases (except for variations caused by rounding) in accordance with the following rules:

- Upon card activation, earn 1% Cash Back Points on Eligible Purchases (“Tier 1”);
- Cardholders in Tier 1 who have made six (6) consecutive on-time payments will earn 1.25% Cash Back Points on Eligible Purchases (“Tier 2”);
- Cardholders in Tier 2 who have made twelve (12) consecutive on-time payments will earn 1.5% Cash Back Points on Eligible Purchases (“Tier 3”); and
- Cardholders in Tiers 2 and 3 who fail to make at least the minimum payment due as listed on their periodic statement by the due date reflected on the statement will revert to Tier 1.

For the purpose of counting on-time payments, a payment is on-time when you have a statement balance greater than zero, and make at least the minimum payment listed on your periodic statement by the due date reflected on that statement and we are able to successfully process that payment. If you have made at least one purchase during the billing period and your balance for that billing period is equal to or less than zero, you will also receive credit for making an on-time payment. While you are able to make multiple payments per billing period, for the purpose of Petal Perks, you may accumulate only one on-time payment per billing period. If your Account is closed for any reason and you subsequently get a new Account, then on-time payments from your previous Account will not count towards the accumulation of on-time payments for your new Account.

Cash Back Points will be allocated based on the status tiers above. There is no minimum amount of Eligible Purchases required before earning Cash Back Points and no maximum limit on the amount of Cash Back Points you can earn over the life of your Card Account.

Bonus Cash Back Points. From time to time, bonus cash back points (“Bonus Cash Back Points”) may be available on certain Eligible Purchases and may take the form of a higher percentage of Cash Back Points than the standard Cash Back Points status tiers or some other form of reward. Bonus Cash Back Points will be subject to the Program Agreements as well as any other applicable terms and conditions associated with the Bonus Cash Back Points offer and may also be contingent upon your agreement with terms and conditions required by Third Party Service Providers. Bonus Cash Back Points may accrue and be available for redemption in the same manner as Cash Back Points. Petal will notify you of Bonus Cash Back Points opportunities if, and when, they are available.

2. Petal Offers

You will automatically be enrolled in Petal Offers, which are merchant-specific deals delivered through your account (each, an “Offer” or “eligible purchase”). You will earn Cash Back Points for purchase transactions that satisfy all requirements specified in the terms of the individual Petal Offer (“Offer Terms”) and this Agreement. The amount of Cash Back Points you can earn as well as any additional terms and conditions of the Offer will be presented in the Offer Terms.

Petal Offers provides you with the benefit of receiving discounts with participating merchants on purchases made using your Petal 2 Card. We use a third-party card-linked offer provider as our service provider to help us operate Petal Offers. As a cardholder enrolled in Petal Offers, you authorize us, our third-party service providers, participating merchants and Visa U.S.A (“Visa”) to use and share transaction details related to your Petal 2 Card in connection with providing you with discounts, credits and other services related to Petal Offers. To see the current list of participating merchants and offers, please navigate to the Perks page in the Tilt Mobile App.

Discounts and credits through Petal Offers will not appear or be reflected on your transaction receipt from the merchant at the time of purchase, and will instead be applied to your Petal 2 Card Account as Cash Back Points.

Other Types of Rewards. Please note that your ability to earn rewards other than Petal Rewards or Petal Offers (such as Bonus Cash Back Points) based on spending may be based, in the case of eligible purchase transactions, on the charge after any statement credits have been applied. If an eligible transaction is subject to finance charges, such charges may accrue on the total amount of the eligible purchase transaction(s) prior to the application of any statement of credit, and the balance upon which such charges are assessed may include the gross amount of the eligible purchase transaction(s), from the date such transaction was made (i.e., without any savings from the Petal Rewards or Offer being applied). You will be responsible to pay amounts due as provided in the terms of your Petal 2 Visa Credit Card Cardholder Agreement.

Foreign Currency Transactions. You can also benefit from Offers while traveling. When you make an eligible purchase transaction in a foreign currency, the amount of Cash Back Points earned will be determined using the exchange rate determined by the payment network (Visa).

Transactions not eligible for Cash Back Points. Purchases for business or commercial use or any purchases prohibited by the Program Agreements are not eligible for Cash Back Points. Other purchases, including the following transactions, not eligible for Cash Back Points include, but are not limited to:

- balance transfers, direct or indirect
- cash advances, if applicable
- traveler’s checks, foreign currency, money orders, wire transfers or similar cash-like transactions
- lottery tickets, casino gaming chips, race track wagers, or similar betting transactions
- purchases that are returned or otherwise credited to your Card Account
- interest and fees, if applicable unauthorized or fraudulent charges
- finance charges
- purchases of gift cards or pre-paid cards
- purchases of cash equivalents
- person-to-person payments

Any Cash Back Points earned from ineligible purchases are subject to forfeiture and we reserve the right not to award Cash Back Points if, in our discretion, you abuse or attempt to abuse the Program Rules in any way.

Transactions not eligible for Petal Offers. Not all transactions with your registered Petal 2 Card are eligible for Petal Offers. You acknowledge that Visa may be unable to monitor every transaction made with a Petal 2 Card which has been enrolled in Petal Offers, including but not limited to payments made through other payment methods (such as a digital wallet or a third party payment app, where you may choose your Petal 2 Card as a funding source but you do not present your card directly to the merchant), payments of existing balances, balance transfers, or transactions that are not processed or submitted through the Visa payment system, and that these transactions are not eligible for Petal Offers.

When and how you can use your Cash Back Points. Cash Back Points earned during a billing period become available for redemption during the following billing period when they are added to your available Cash Back Points balance (“Available Cash Back Points”) or may be displayed as your “Cash Back Wallet.” We may round the amount of Cash Back Points earned from eligible purchases up or down in a manner determined in our sole discretion. For any given billing period, the amount of Cash Back Points added to your balance is based on the net dollar amount of eligible purchases made during the previous billing period. If the net dollar amount of your eligible purchases is negative for a billing period, Cash Back Points will be deducted from your Available Cash Back Points/Cash Back Wallet and may result in a negative Available Cash Back balance/Cash Back Wallet. Note that while Cash Back Points earned from Petal Offers during a billing period will typically become Available Cash Back/Cash Back Wallet Points during the following billing period, there may be delays

You can redeem your Cash Back Points through an account statement credit. Once you request to redeem your Cash Back Points, you cannot cancel or otherwise revoke the request. We reserve the right to reject any redemption request if we cannot verify your identity or account information.

Redemption for an account statement credit:

- Login to your online Card Account via the Tilt Mobile App to request to redeem your Cash Back Points for a statement credit.
- While the statement credit will reduce your balance, you are still required to make at least your minimum payment each billing period.
- There is no minimum to the amount of Cash Back Points you are required to redeem in order to receive a statement credit.
- You may only redeem for a statement credit up to the amount of your current Petal Card balance. That is, a statement credit redemption cannot result in your Petal 2 Card having a credit balance (that is, a balance less than zero).

Cash Back Points accumulation limits. There is no annual or lifetime maximum on the amount of Cash Back Points you can earn.

Cash Back Points duration and other terms. Earned Cash Back Points will not expire as long as your Card Account is open and remains in Good Standing. But, if your Card Account is closed for

any reason, your participation in the Program will be terminated and you will lose any Available Cash Back Points you have not redeemed. Earned Cash Back Points are non-transferable and cannot be redeemed by anyone other than the Account holder. Additionally, Cash Back Points have no cash value and are not your property, until successfully redeemed. If you return, chargeback, cancel, dispute, or otherwise request a refund for a qualifying transaction for which you have already received Cash Back Points, we reserve the right to remove any related Cash Back Points from your Cash Back balance (which may result in a negative balance) or withhold future Cash BackPoints to cover any such amount.

Other Important Information You Should Know

Cash Back Points Activity. Our processing platform serves as the final record of your Cash Back Points activity. This includes the amount of Cash Back Points you have available for redemption, the amount of Cash Back Points you've redeemed, and the percentage of Cash Back Points you will earn on qualifying transactions. In the event there is a discrepancy between your records and the processing platform, the information from the processing platform will be deemed correct.

Audits. We reserve the right to audit the Accountholder's Card Account for compliance with these Program Rules. In the event the audit reveals discrepancies, the processing of Petal Perks may be delayed until such discrepancies are resolved.

Other Conditions. You acknowledge the Program is a promotional program as to which no consideration has been paid to you. Unless and until you redeem Cash Back Points in accordance with these Program Rules, no right, title, or interest in the Cash Back Points has been conveyed. The Program, including these terms and conditions, is subject to the Governing Law and Arbitration provisions of the Cardholder Agreement governing your Card Account. You consent and authorize us, our affiliates or any non-affiliated third parties with whom we contract to manage the Program to share information about you and the Program, as necessary, to effect, administer, enforce, service, or fulfill the terms of the Program. The Program is void where prohibited by federal, state, or local law. You are responsible for any tax liability, including disclosure requirements, related to your participation in the Program. Please consult your tax advisor if you have any questions about your personal tax situation

Governing Law. The Rules are governed by federal law and, to the extent state law applies, the laws of the State of Utah without regard to its conflicts of law principles.
